

Mayor Report  
June 5, 2023

1. Attended the June ACT meeting on June 1st. A presentation was provided by the CIB regarding a new study they hope to initiate regarding the back bay. Other items discussed were:
  - The bill reducing the number of employees to 25 for the ability to organize as a union.
  - HB 127 was discussed regarding Fire Company funding. The Towns were in support of this bill. I sent an email to the bill sponsor and found it has been delayed until January 2024 due to push back from Kent and Sussex county officials.
2. Attended a meeting with Bethany Beach, Sea Colony, Fenwick Island and BBFD EMS regarding the renewal of the BBFD EMS agreement. The Agreement is set to renew in January 2024.
3. Attended the Weekly Meetings on 2023 DE beach re-nourishment. Currently South Bethany is scheduled for a start the week of June 5th for beach re-nourishment. It will take approximately 19 days. This is all subject to change based on weather and any equipment issues.
4. Met with constituents on a variety of issues.
